CMHC OKAYS \$142,000 SNOWDON PROJECT

Central Mortgage and Housing Corporation has approved some \$142,000 for construction in Haliburton County of a special care home for emotionally disturbed young persons.

The announcement was made late Tuesday afternoon by William Scott, M.P., Victoria Haliburton, and said the proposed project would be located in Snowdon Township on Bacon Road off Highway 503 at Furnace Falls.

Chimo Youth Services Inc., a non-profit group, will build three frame bungalows able to accommodate 12 youths age 11 to 18 years, plus about 12 staff taking part in the back-to-nature phase of a four stage program aimed at preparing them for normal community life.

Each house will have four bedrooms, a living room with fireplace, large kitchen, bathroom, general meeting room and sick bay.

Of the funds provided by the CMHC \$127,800 is a loan repayable at 8 percent interest during a 50-year term. The remaining \$14,200 is a federal contribution to the project.

150 hear park planners

A crowd of some 150 persons was on hand last Thursday evening to find out just what plans the Ministry of Natural Resources had for Algonquin Park and, in particular, for its proposed satellite park in Haliburton County.

They left the Haliburton Highlands Chamber of Commerce-sponsored meeting held in the Haliburton High School auditorium knowing there would, in all certainty, be a satellite park in the County, plus the basic reasons motivating it.

Speaking on behalf of the Ministry was Regional Park Planner Andy Brethour who told the gathering that initial plans call for the establishment of the satellite park in the Redston Lake vicinity. Basically Algonquin Park consists of the more or less wilderness interior and the more popular Highway 60 corridor running through the park.

With increasing pressures it has become necessary to expand the Highway 60 amenities by either encroaching further on the rest of Al-

Yes, once again it's that season...time of snow and cold, of icy roads and cumber-

some clothes. But wait, there's another side to the coin...it's a time, too, of

warm fires and hot toddies and no insect pests, plus that glorious winter beauty that

capped our Haliburton Highlands countryside last Tuesday as seen above in a photo

progress taken that same morning at Ingoldsby.

gonquin or by adding satellite parks to take off some of the pressure.

The Redstone park site proposed would include portions of Haliburton Forest and Wildlife and would basically provide some 400 trailer camp sites plus motel accommodations and outfitting stores operated by the private sector.

Visitors would have access to Algonquin Park by means of canoe and hiking routes into the panhandle portion of the park which projects south into Haliburton County. Speaking to the meeting Dysart Reeve Murray Ferrey said that the municipality had proposed alternate sites to the Ministry as it regarded the operation of Haliburton Forest and Wildlife as a municipal asset.

He said the Ministry had assured Dysart no decision would be made as to the site without Dysart's concurrence.

100 honor Warden

More than 100 gathered at the Minden Community Auditorium on Friday, November 21st, for the annual Warden's Banquet. Every member of the County Council and wives were able to attend, along with County Department Supervisors. The auditorium was suitably decorated for the occasion, including a display of some of the paintings bequeathed to the Municipality by the late Mr. Frank Welch.

See 100 Page 5

Mr. Brethous said the Ministry would be responding shortly to the Dysart proposal following which their details will be made public.

3 charged in 3 crashes

Three of four drivers involved in three area collisions last week have all been charged by police as a result.

Although James E. Packard 20, of RR 2 Minden escaped injury, he was charged with failing to report an accident after his car skidded while eastbound on the Scotch Line Road last Friday, striking a fence, tree and gate.

Damages amounted to some \$350.

Investigation by Provincial Constable Jim Martin.

Damages of an estimated \$2,000 resulted when a westbound car failed to make a curve and rolled over into the ditch on Highway 503 west of Tory Hill early last Sunday morning.

Driver Ralph E. Watson, 20, of Wilberforce escaped unhurt but has been charged with careless driving.

Investigation by Provincial Constable Ron Buchanan. A collision between two trucks last Thursday afternoon on Highway 503 west of Irondale resulted in \$900 damage, and a charge of operating an unsafe vehicle against the driver of the westbound truck, Augustine McCarthy, 49, of Mississauga.

Apparently the McCarthy vehicle skidded, striking an eastbound truck driven by Douglas Thompson, 60 of Bancroft.

Investigation by Provincial Constable Ron Buchanan.

Watch it!

Although Ontario Provincial Police officers from the Minden Detachment have been ordered to crack down on any local hockey violence they will not be assigned to monitor specific games.

A spokesman for the OPP this week said it was not planned to assign officers to hockey games but warned that under a directive from the Attorney General's Department an officer attending a game could respond to unnecessary violence on the ice. Last month Attorney-General Roy McMurtry ordered police to investigate and prosecute unwarranted hockey violence. Already one Detroit Red Wing player has been charged following a fracas during an NHL game at Maple Leaf Gardens.

Natural Resources

Preliminary deer hunt report 1975

'Regionally the 1975 hunt appears to have been slightly better than in 1974,' according to C.W. Douglas, regional biologist for Algonquin region. The latter is composed of the districts of Parry Sound, Bracebridge, Minden, Bancroft, Algonquin Park and Pembroke. The weather was dry and warm during the early part of the season. Although cooler temperatures and damper conditions prevailed during the second week, there was no appreciable snow fall to provide tracking conditions. Hunters and hunting effort was less in the shortened three day season of the Muskoka area than during last year. Success was probably lower than last year. Few casual hunters were encountered and it is felt that some of those may have opted for areas having a more liberal season. The northern half of the Parry Sound district experienced a hunt success approximately the same as last year. Of 542 deer field aged 34.7 percent were fawns and 20.7 percent were yearlings.

In Algonquin district the three northern townships had very poor hunting and organized camps had lower occupancy. This is primarily moose habitat. Bruton Township had fair to good success as compared to last year while in Clyde it was about the same. In the other five townships casual hunters were out in about the same numbers as last year and had fair to good success. Organized camp hunters were fewer in number by about one third to one half and had poor success. It is the feeling of the conservation officers the hunting pressure and kill in these five townships is greater than the resource can stand. The one week season in the Pembroke district was approved of by most hunters. Hunting success was fairly good and may have been slightly better than last year. There was a noticeable reduction of casual hunters in the district. In the Bancroft district, of 1723 hunters checked 157 had taken deer, a success rate of 9.1 percent. There is a

general feeling that deer were more plentiful than last year. The Minden district reports that the hunt is about the same as last year. In some areas the success was better than the last two or three years and the district success may be up 2 or 3 percent. Due to the postal strike, final deer hunt statistics for 1975 will be delayed for a considerable period of time. Hunt camp questionnaires, while distributed prior to the postal strike, cannot be readily returned by hunt camps to the Ministry. Hunt camp captains therefore, are requested to deliver completed reports to any district office of the Ministry of Natural Resources.

PC's pick Webster

Some 1,500 enthusiastic Progressive-Conservatives last Saturday picked area lawyer James R. Webster as their candidate for the riding of Victoria-Haliburton in the next provincial election.

Mr. Webster, who makes his home in Fenelon Falls, won on just the second ballot garnering some 379 votes out of a possible 738 cast.

A field of five candidates entered the race with Russ Wunker of Miners Bay running a strong second. The remaining candidates included Art Williamson, David Bishop and Everett Cameron.

Guest speaker of the evening was the Hon. William Newman, Minister of Agriculture and Food.

A partner in a local law firm having offices in Lindsay, Bobcaygeon, Woodville and Fenelon Falls, Jim Webster is not only a native of the riding but his family roots

in the area go back to the 1830's when his ancestors settled in Victoria County. With a family background in farming and a professional background in economics and law, Mr. Webster has a scope of experience and education which will place him in good stead for the requirements of modern government. Having experienced both the directness of a rural life and the problems involved in dealing with complex legislation and Queen's Park administrators, Mr. Webster believes he can provide strong representation for all the people of Victoria-Haliburton.

Jim's wife Liz is a high school teacher with the Victoria County Board of Education. This provides him with a constant link to the problems involved in education today and also provides a source of information on the views of both students and teachers.

NOTICE

In the matter of the Municipal Act and in the matter of a proposed by-law of the Corporation of the Township of Stanhope for closing parts of a highway in the Township of Stanhope.

NOTICE IS HEREBY GIVEN pursuant to Section 446 of the Municipal Act R.S.O. 1970, that the Municipal Council of the Corporation of the Township of Stanhope proposes to consider and if deemed advisable to pass at a meeting to be held December 17, 1975 at 7.30 p.m. a by-law to stop up, close and divert the following:

PARTS 2 and 3 of PLAN 19 R 911, Township of Stanhope.

AND

to exchange the same for a Road to be constructed to Municipal Standard on PARTS 1 and 4 of PLAN 19 R 911, Township of Stanhope.

A copy of PLAN 19 R 911 may be seen at the Stanhope Municipal Office during normal working hours. And further take notice that before passing the said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Council, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

Dated at Stanhope this 12th day of November, 1975

Brickbats

Obviously Canada's newly-formed Anti-Inflation Board is going to come in for some brickbats if it's to do its job of controlling wages and prices properly.

Latest screamer comes from Toronto's striking secondary school teachers.

They're yelling foul because the board has not only termed their wage demands out of line but has called the latest wage offer from the Metro School Board excessive.

As this new body increasingly runs afoul of the various segments of our Canadian community, and it will if its doing its job, it's going to get called many names, most of them unmentionable.

An unenviable position, but to date they've shown guts and determination and if we're going to lick our inflationary problems then that's what it's going to take.

More power to them.

Better Listen

The other day Bruce Willson, past president of Union Gas Company, proposed a comprehensive but flexible energy policy in which all government-oil and gas industry efforts would be aimed at specific new projects to augment the country's energy supplies, plus the rapid phasing-out of all energy exports.

The petroleum industry's mismanagement of Canada's oil and gas resources has left the country facing imminent shortages in domestic supply and Canadians need a greater guarantee than they're getting that the higher prices they now pay for oil and natural gas are being used to ensure future supplies.

Canada should heed this man.

A few years ago Bruce Willson warned Canada and North America of an impending energy shortage and suggested measures to offset it.

Canada ignored him and his doom and gloom prophecy but look what happened to energy and its cost in 1974 and 1975.

Better listen - this time, Canada.

Report from Queen's Park

by

John Eakins, M.P.P.

During second reading debate on the Government's rent control legislation, Opposition Members maintained that the proposed controls are unlikely to be lifted as scheduled on August 1st, 1977. Liberal Leader Robert Nixon said he would have liked the legislation to contain a provision removing controls in communities where the apartment vacancy rate reached 3 or 4 per cent. 'But it seems that with the growth of communities, particularly urban communities, this rent control is a responsibility which the House must accept'. In his opinion 'Anybody who thinks this sort of legislation is going to be sloughed off with the resurgence of the free enterprise system is, of course, in error'. He also predicted that the government will have to accept an increasing role in providing funds for housing because existing government programs have failed to persuade enough private sector builders to meet housing needs. Liberal MPP Eddie Sargent (Grey-Bruce) warned no more apartments will be built by the private sector once the rent control machinery is in place. He said landlords will not find the investment worth while. The Government has introduced legislation to make mandatory the wearing of automobile seatbelts as of January 1st. People convicted of breaking the law will be liable to a fine of from \$20 to \$100, and there will be exemptions made for infants, people who must get in and out of cars often, such as police and firemen, and those who cannot wear the belts for medical reasons, etc. Chief motivation for the legislation is the suffering and death resulting from automobile accidents, and the soaring hospital costs involved. Ottawa Liberal MPP Albert Roy has twice introduced a Private Member's Bill to provide for mandatory seatbelt use, and the Government's legislation is very similar to his proposed amendment to the Highway Traffic Act. Speed limits are also to be reduced on the province's highways - to 60 m.p.h. on the expressways and to 50 m.p.h. on other highways. Legislation is not necessary for the reduction of speed limits, and the new limits will be in effect as soon as the

new signs can be erected, which officials estimate will be within a month.

Metro Toronto high school teachers are still on strike, in spite of attempts by parents and students to persuade them to return to the classrooms. There is some speculation that the Education Relations Commission will intervene. This three member Commission, appointed less than four months ago under the new teacher collective bargaining legislation, is expected to be under increasing pressure from parents who fear children will become victims of a bitter labour dispute. The legislation also provides two other options - binding arbitration and final offer selection, in which an independent third party selects the final contract position of either the board or the teachers. The striking teachers maintain that they are frustrated, confused and unhappy because they lack the respect of the public, the media and their employers - the city and five borough school boards. Their frustration has been mounting for five years - since the introduction of provincial spending limits on education, which led to larger classes and heavier work loads.

Sources of energy have been very much in the news recently. All home-heating bills - for oil, gas or electricity - are expected to increase quite considerably this winter, by between 13% and 29%. Also the Provincial Energy Minister has warned that natural gas to heat swimming pools, run air conditioning or gas lighting may have to be rationed if shortages occur, although he has stressed that domestic consumers will be given priority. He has however, indicated that any shortages will not last very long providing new supplies from the North become available. The Minister has resisted opposition calls for new Ontario controls on gasoline prices, whilst not entirely ruling out the possibility of a further price freeze, with penalties, if 'too many' operators raise prices by more than the 5.4 cents a gallon recommended by government.

Hall's Lake News

Doreen Stinson

Miss Kathryn Lindsay has been spending a week of her vacation with her parents, Mr. and Mrs. William Lindsay.

Quite a lot of snow has fallen and the highway crews have been busy ploughing and sanding.

At Club 35 on Wednesday evening the same Executive was returned to Office and plans laid for a lively New Years' Eve Party.

Several new Club Members were accepted, namely the Luther Wisons, two Bunker couples and the Trodds of Mountain Lake. It is nice to have so many newcomers join from Pine Springs and these folks all like to play Euchre on Monday evenings. Sorry to learn that Mr. Harold Sedgwick is in hospital at Orillia having surgery on his hip. We all wish him well.

The Richard Kinsmans drove to Binbrook on Friday to take part in the Firemens' Banquet. Dick used to play a Big Part in the Fire Brigade down there so naturally it would be only right for he and his good wife to attend.

Mrs. Verna Jarvis is spending this week-end with her sister, Mrs. Helen Brown.

The Stinsons leave Sunday for Hamilton to attend the funeral of Mrs. Stinson's sister.

We are pleased to hear that Elmer Russell, his wife and family are back in Minden, although we are indeed sorry that his job in Campbellford did not transpire. Sometimes these things happen. Mr. Albert Hart is visiting in Etobicoke with Thelma and Bill Small, and is even thinking of travelling via air to Edmonton for Christmas. He will, however, be back to provide music at the Hyland Crest party next Wednesday evening. He is indeed a remarkable man for his advanced years.

LETTERS

Box 125
Minden, Ontario
November 22, 1975
Mr. Cliff Burke
c/o The Minden Progress
MINDEN, Ontario.

Dear Beagle
I would like to comment on the Minden Monarchs Hockey Team. For the past two seasons I have attended almost all the home games and a few away from home games. It is my opinion that we have an excellent team this year, but what we need now is a good coach. Last year when Mr. Dick Kinsman took over coaching the Minden Monarchs they started winning games. They stopped fighting and reduced their time in the penalty box greatly. As we all know we cannot win a hockey game in the penalty box. We need a coach who will 'lay down the law' to the players. A coach whom all the team members can respect as their leader. If they had some respect for their leader, you'd probably see that more of the team would turn out for their practices and games. It is very disappointing to me and all the rest of the Monarch fans who faithfully attend the games to come out each Friday evening to see them lose. We'd like to see them start winning for a change. Is there any reason why Dick Kinsman cannot be approached to take over the coaching job before it's too late!
We need you Dick!

Minden, Ontario
Nov. 30th/75
The Editor,
Minden Progress.

Dear Sir:-

I wish to write this as an open letter to the People of Haliburton County. There is a Juvenile Hockey team in Minden and these young men come not just from Minden but other areas of the county. They have already played 2 games at the Minden Arena and have won both games BUT the support they are getting from hockey fans is lousy. They have 3 more home games to play and my hope is that when people read this letter (if they do) they will shut off their TV's and come out and see hockey played as it should be played and not a fighting penalty ridden game. These chaps play hockey for the love of hockey and deserve your support. When even the referees, whom I have talked with, say that they are one of the best teams they have refereed, then it is time the people came and supported them. Don't forget to shut off your TV's on Dec. 13 and Dec. 20 and Jan. 3 and come out and show the Juveniles you are behind them all the way. My Congratulations to the Coach and Juvenile team for good hockey.

Sincerely,
Irene Moore.

A Monarch Fan,
Mary E. McKelvey.

cipal office staff were at the door to welcome the guests, and these girls with the big smiles certainly made wonderful Hostesses to start the evening in a friendly and jovial mood. After a period of fellowship the gathering enjoyed roast beef provided by the caterer, Mr. Ed Pergolas and staff. Ed made a special effort to please, and many kind remarks were heard about his efforts.

Head table guests in addition to the Warden and Helen, included Mr. Murray Fearrey, Immediate Past Warden; Mr.

Wm. Scott, MP and Mrs. Scott; Mr. John Eakins, MPP and Mrs. Eakins; Mr. Art Williamson, Warden, County of Victoria and Mrs. Williamson; Mr. Bob Allison, Municipal Road Engineer, M.T.C. and Mrs. Allison; Mr. Don Finn, County Solicitor and Mrs. Finn; and Mr. and Mrs. Woodcock from Peterborough. Mrs. Woodcock is a member of the staff of the Locke Organ Centre in Peterborough, and favored the gathering with many favorites on the Hammond Organ. Mr. S.G. Nesbitt, Reeve of

Stanhope acted as M.C. and called on Warden Reg Booth to welcome those assembled. After dinner short remarks were enjoyed from the Warden, from Bill Scott, MP from John Eakins, MPP, Warden Williamson and Don Finn. Afterwards the evening was spent in dancing and good fellowship. Letters were read from Past Warden R.J. Curry and from Warden Wilfred Ellis of Peterborough County, expressing regrets that each was otherwise engaged for the evening, and sending good wishes to all assembled.

Educational tax enquiry begins

Objections by Stanhope Township and Anson, Hindon and Minden to the decision of the Arbitrators making an apportionment of sums required for school purposes for the year 1975 resulted in an Ontario Municipal Board Hearing which was held Nov. 13, 1975 at 'Club 35', Hall's Lake.

The hearing commenced at 11 am and was chaired by Mr. F.G. Blake of the Ontario Municipal Board.

Mr. Robert Weeks and Mr. James Cruikshanks from the law firm of Stuart & Cruikshanks represented the Townships of Anson, Hindon and Minden and the Township of Stanhope.

Mr. Ian MacF. Rogers, Q.C. represented the Township of Dysart et al.

The number of elected representatives, officials and ratepayers from the various municipalities who were in attendance reflects the interest and concern created as the result of these objections.

Mr. Gerald Bain, Clerk-Treasurer of the Township of Stanhope was called by Mr. Robert Weeks to provide the background of the objection by the Township of Stanhope. Various documents were introduced which related to the objection of the council of the Township to the present educational tax apportionment. These documents introduced and accepted by the Board Chairman were in support of the objections by Stanhope and Anson, Hindon and Minden.

Mr. James Leworthy, Bus-

iness Administrator of the Haliburton County Board of Education, also provided the Board with information regarding apportionment of education rates.

Mr. V.M. Hewson, Regional Assessment Commissioner was closely questioned regarding assessment figures on documents offered to the Chairman of the Board, by the Solicitors for the Townships of Anson, Hindon and Minden, and the Township of Stanhope. Mr. Rogers also questioned Mr. Hewson regarding the accuracy of the figures. Mr. Hewson upheld the accuracy of the document and outlined the procedure used in verifying this document and emphasized the qualifications of those involved in its preparation.

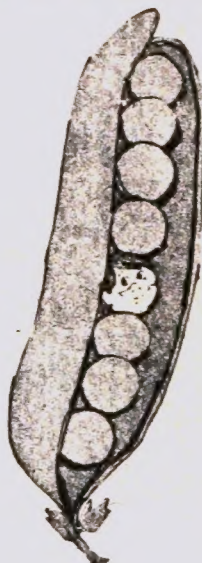

When the hearing reconvened following the lunch recess, Mr. Rogers addressed the Chairman, indicating that he had not been aware of the assessment figures presented by Mr. Hewson and requested an adjournment to enable him to check the validity of the figures presented by the Assessment Commissioner.

Mr. Weeks representing Stanhope and Minden argued that Mr. Rogers had the same opportunity to obtain the information as had the legal counsels for Stanhope and Minden townships.

However, Mr. Blake decided on an adjournment with both sides being permitted to examine the assessment records.

The hearing was adjourned to be reconvened early in the New Year.

Local O.P.P. officer attends special course

Mike Maher

Provincial Constable Mike Maher of the Ontario Provincial Police Minden Detachment was one of just 8 O.P.P. constables picked to attend a recent 2-week course on Forensic Pathology and Law Enforcement. Held in Toronto, it was attended by some 64 police officers from across Canada. The course featured special expert lecturers not only from Canada but from as far away as England and Texas, including medical examiners and specialists in legal and forensic medicine.

Atoms A's take first

Carling open underway in 1000 Lakes

The Carling O'Keefe Open Bowling Tournament got underway in the 1000 Lakes Bowlers Association on Sunday in Bancroft.

Willard Goodman of the host, Bancroft Lanes, and Ken Mills of Fenelon Lanes in Fenelon Falls tied for first in the men's division after ten games and Audrey Fountain of Carnarvon holds first place in the women's division with a total pinfall of 2214. Willard and Ken each rolled 2358.

This is the first year for the 1000 Lakes Bowlers Assoc., and they easily filled their quota of 55 bowlers for the Open.

Some high games of the day went to Jack Williams of Bancroft 348, Willard Goodman 318, Bill Phillips 313 and Hank Searle 308. For the ladies, Verna Wagg and Audrey Fountain each rolled singles of 285-280 respectively.

Bancroft holds five of the top seven places in the men's section after ten games. The top ten men and nine ladies advance to the Ontario Championships in Hamilton on February 14, 15 and 16. Carnarvon ladies hold four of the top eight positions in the ladies section.

The second leg of this thirty game tournament will be held in Fenelon Falls commencing at 9.30 am Sunday, Dec. 7. The second flight of the day will start at 3pm instead of 2pm this past Sunday.

The standings after the first ten games are as follows:

MEN

1. Willard Goodman - B - 2358
2. Ken Mills - F - 2358
3. Hank Searle - B - 2352
4. Malcolm Anderson - F - 2293
5. Jack Williams - B - 2277
6. Stan Dunford - B - 2195
7. Cecil Burke - B - 2151
8. Dave Sawyer - C - 2146
9. Steve Barton - F - 2132
10. Bert Beard - F - 2132
11. Eddie Cox - C - 2126
12. Ron Robinson Sr. - C - 2119
13. Wes Stata - C - 2111
14. Cliff Burke - C - 2041
15. Don Mackie - F - 2040
16. Gary Murray - B - 2038
17. Roy Sutherland - B - 2033
18. Ronnie Robinson - C - 2007
19. Wayne Sawyer - C - 1977
20. Gord Everall - C - 1968
21. Fred Cox - C - 1961
22. Doug Robinson - C - 1932
23. Tom Bartlett - F - 1865
24. Stuart McLellan - F - 1858

16. Gladys Wruth - C - 1733
17. Carol Smith - F - 1703
18. Pattie Steele - C - 1614

This past weekend, the Minden Atom A team moved into a share of first place in the league standings with Bobcaygeon.

On Friday evening in Haliburton, Minden tied the host club 2-2 on goals by Scott Yake and Collin Newell. Then on Saturday in a return match, Haliburton edged our boys 4-3 at the Centre, although dominating most of the contest. Eldon Bull scored twice for the Minden team while Andrew Shaplero got the third.

On Sunday at the Centre, Minden trounced first place Bobcaygeon 6-2, to gain the tie in the standings and Minden has a game in hand.

In this game Timmy Woods scored two while singles went to Kevin Warburton, Andy Shaplero, Scotty Yake and Eldon Bull.

According to coach Gary Warburton, goaltender Kevin Forbes has played outstanding net for the Atoms to date and that without this solid performance Minden would not be in top spot. Congratulations Kevin, and continued good work.

Sunday evening at the Centre, the Minden Peewees dropped their second in a row to the powerful Fenelon Falls squad, 7-1. The game in Fenelon on Thursday ended 7-2.

Fenelon held a slim 3-0 lead after one period, with Darryl Patterson, Don Bulmer and Scott Speers getting Fenelon tallies. However, the second period proved fatal as Minden could only score once by Harold Porter while Fenelon once again notched three goals, Jeff Pendlebury, Glen Miller and Brant Jones. Minden completely outplayed Fenelon in the third period, but goal posts, near misses and the outstanding performances of the Fenelon goalkeeper. Minden netminder Terry Crowe settled down also in the third to rob Fenelon on what appeared to be five or six sure goals. Terry did let one more by him by Patterson, to end the scoring. The three stars of the game are Bruce White of Minden and Don Bulmer and Brant Jones for Fenelon.

The Minden Bantams lost two more games this past week, to slip all the way to third spot in the standings. On Thursday evening at the Centre, Haliburton whipped Minden 8-2 for the second win in three nights against our boys.

Danny Allison and Jim Hatkoski scored the Minden goals while Bernie Nichols the best player on the ice all evening, scored two goals and set up four more. Chris Hodgson also had two goals with singles going to Kevin Noseworthy, Ed Roberts, Roger Hicks and David Harrison.

On Sunday afternoon in Fenelon, Garry Harrison and Brian Shaw each had a goal in their 3-2 loss to Fenelon.

The Minden Midgets continue to have their troubles at the Haliburton Midgets trounced our lads at the Centre on Thursday evening 13-1. This was the second lopsided loss to Haliburton in three nights and as a result Minden dropped into a last place tie with Fenelon Falls with two points each. Haliburton took over top spot from Bobcaygeon with four straight wins and no losses.

Mark MacDuff led the Haliburton attack with the Hat trick while two-goal performances were turned in by Jerry Stephenson, Dave Levely, Joe Roberts, Dean Potter and Larry Stinson. The lone Minden goal was scored by Craig Kennedy from Paul Eastman. Three stars of the game were Joe Roberts, Mark MacDuff and Craig Kennedy.

The Minden Juveniles continue to impress, with a win and a tie this past week. On Wednesday evening Minden travelled to Beaverton and skated to a 4-4 tie. Down 4-1 with ten minutes left to play, Al Trepanier, Curtis Rogers and Dean Hewitt pulled Minden into the deadlock. Goalie Brent Wynne paled a great game for Minden. Greg Bishop fired Minden's fourth goal of the night in the first period.

On Saturday at the Centre, Minden jumped into first place in the standings with an easy 4-0 shut-out of Woodville and this was done with four players missing from the team due to prior commitments. Wayne McGee registered the first shutout of his brief goaltending career, this was Wayne's second game.

Scoring for Minden were Doug Allison, Doug Raey, Curtis Rogers and Al Trepanier.

Monarchs, much improved

The Minden Monarchs came up with fourteen goals on the weekend but couldn't come up with a single point in the standings. On Saturday evening at the Centre, Minden dropped a 7-6 decision to Elmvale and then travelled to Bracebridge and lost another squeaker 9-8.

Craig Stamp has taken over as playing coach with Neil Burk manager. The team has played the best hockey they have ever played in Minden, and Craig has to take full marks for the turn around. Elmvale jumped into a 3-1 lead in the first period after Pat Burns had put Minden up 1-0 on a setup from Darryl Stamp.

The second period was the Monarchs downfall. Elmvale scored four times in this period while Minden fired two by Rick Hartwick from Burns and John Parrish and Sheridan Kellett from Darryl Stamp and Harris Steele. However, the back-breakers were the two goals Elmvale scored in the last minute of the period on sloppy Monarch clearing. The third period was all Monarchs.

At 4:16 Darryl Stamp fired the first of his two goals to close the gap to 7-4, assists going to Floyd Henry and goalie Doug Taylor. Harris Steele at 7:48 made it 7-5, assist going to Hartwick and John Barkwell. Then at 18:09 Stamp made it 7-6 on passes from Parrish and Bob Woodcock. Minden pulled their goalie with fifty seconds left but the closest they could come to scoring was when Parrish banged one off the post with just twelve seconds remaining.

Darryl Stamp was the star of this game with two goals and two assists and had a good portion of the 48 shots Minden fired at the Elmvale goalie. Elmvale had 33 shots at Monarch goalie Doug Taylor. The second star of this game goes to Doug McMann who matched Darryl's stats, while the third star of the game goes to Mike Jackson who played a fine game on the Monarch defence. The rest of the Elmvale scoring went to Larry Fallow with two goals while singles were scored by Dave Jamison, Paul Marley and Pete Minning.

Judges Clinic

The Minden Figure Skating Club is holding a Judges Clinic on Saturday, December 6, at 9.00 am. We welcome anyone interested in becoming a C.F.S.A. judge or any interested parent whose child will be trying C.F.S.A. tests this winter.

Mr. Jim Allan from Oshawa, who is chairman of the Judges Training Committee, will be conducting the lectures as well as on ice instruction. During the lecture Mr. Allan will explain what is expected from a child when he or she is trying a preliminary or first figure test. The on ice instruction will consist of trial judging (for those interested in

becoming judges) also Mr. Allen will show us what a figure should look like on the ice as well as showing us how they should be marked.

Anyone interested in attending the Clinic or wishing more information, please contact Mrs. June Beeney, 286-1774.

General Meeting - 9 pm. Municipal Building, Dec. 10, 1975. Please come. Tickets on sale now for draw on doll, which is on display at Cox's Apparel. Draw on Dec. 20, 1975. Thanks to the mothers who contributed.

Public skating-On trial

Skating for all adults from 8-10 pm. This ice time is reserved especially for adults and is on a trial basis until the end of December. Over the last three weeks, the most people taking advantage of this ice time has been 28.

Now as you know, there has been a big push to get people in shape across the country through PARTI-

CAPACTION. Well, skating appears to me to be a very good way to tone up those tired leg muscles. So how about it folks, why not get out of the house one night a week and do a little skating up at the Centre, you'll probably find it's one of the most enjoyable things you've done in ages.

CASE REALTY LIMITED

Second mortgage solution

If you have your mind set on the purchase of real estate but do not have enough cash to meet the full price and down payment on the first mortgage, there is a solution. Second mortgages and even third mortgages are nothing to be afraid of. The owner may agree to take your mortgage for the balance. This mortgage is usually for a smaller amount, and a shorter term than the first mortgage.

But no matter what kind of mortgage you arrange or give back, be very clear about its terms and conditions. Some mortgages contain repayment penalties, which means that if you decide to pay off the mortgage in advance you have to pay an extra charge. There will also be clauses about late charges required if you don't make your payments on time and clauses protecting the lender from your damaging the property or turning it down. So it's important to understand what any mortgage is all about.

We Realtors are familiar with these clauses, and can be helpful in assisting you to understand them. So if you're thinking of selling anytime, why not give one of this town's most active Realtors... Robert Case Realty Ltd...a call? 24 years service 'in a business like way'. We even like to tackle those so-called hard-to-sell homes. That's when our special merchandizing know-how goes into play. Call 286-2882.

CASE REALTY LIMITED

**The Highland Snowmobiler
and Roy Bates**

The Government has announced a trails fund for this year amounting to half a million dollars, a 50% cutback on last year's spending. On advice from the Ontario Trails Council (with one snowmobiler representing 200,000) one fifth of this fund will go for trails for purposes other than snowmobiling. It doesn't seem fair, but before we jump up and down and scream that it isn't enough, let us take an objective look at a few pertinent facts. It seems to me highly probably that the government, in implementing its trails program for this year, has taken into consideration the fact that only

ten percent of the province's snowmobilers are sufficiently organized to handle the job. Yes, the most reliable figures I have been able to dig up indicate that the combined membership of all known clubs in Ontario (with half of them in the OFSC) represents only 20,000 registered snow vehicles. The allotment for snowmobile trail development (\$400,000) is approximately 20% of registration revenue for one season. That works out to \$20 for every registered snowmobile in every known club. Generous indeed. But what about the 180,000 non-club snowmobilers? Where is their share?

Indications are that the government of Ontario, like all other governments in snowbelt regions, have recognized the ability of snowmobile clubs to police themselves, to all but eliminate fatalities amongst their ranks, and to foster a high degree of acceptance in their respective communities. More than one legislator has come out publicly in favour of making club membership mandatory. Legislation to this end was not introduced only because it might have been construed as an infringement on the snowmobilers' right of self determination. And that is as it should be. Human rights, what we have left of them, must be protected at all cost. But there is nothing to prevent a little judicious selectivity in the allocation of assistance.

Lest the non-club snowmobiler get the idea that he is being discriminated against, I must point out that all trails developed or maintained in whole or in part by public funds must be classified as public trails. The non-club snowmobiler gets the best of the deal, for he has saved himself the cost of

club membership yet receives equal benefits. He does, however, cut back drastically on the amount of money spent on those trails.

In our briefs to the Select Committee three years ago, snowmobile clubs requested a fifty percent refund of snowmobile registration revenues. We still believe that it is a reasonable portion. We want no less. We also believe that we would now be getting it if we had boosted club memberships to fifty percent of the potential in the province. I personally believe that this year's trail expenditures, including reasonable membership fees, could have been \$1,500,000. And even then, a hundred thousand snowmobiles would be riding at half fare. Can we set it up for next year?

Every director in the Haliburton County Snowmobile Association is authorized to accept your membership payment and to issue your card. There is now hope that the mail will be moving shortly. If you can't find a director, put your cheque in the mail. Family fee this year is \$10. List your spouse's first name so she will also get a card. The HCSA picks up its mail at Box 151, Haliburton.

Social Director Jim Lackey has worked out a calendar of weekend events for the enjoyment of HCSA members this winter. Starting with the New Year's Snowball on December 27, every weekend is filled through to a bang-up HCSA day on March 20 which will include racing events and a dance in the evening. He has included in his calendar afternoon rides and cookouts, Saturday evening trail-side parties, extended trips to such places as Dorset, Bobcaygeon and Maynooth, and other activities of interest.

County News

FROM THE HALIBURTON HIGHLANDS CHAMBER OF COMMERCE

Bob Stinson,
Secretary-Manager.

Res. - 457-1110

Office - 286-1760

The meeting held last Thursday regarding the Algonquin Park Master Plan was well attended and very informative. There were many questions asked, and many points discussed, but we felt the main points of concern were covered in the following letter.

Dec. 1, 1975

Mr. Andy Brethour,
Division of Parks,
Ministry of Natural Resources,
Huntsville, Ont.

Dear Andy:

On behalf of the directors and members of the Haliburton Highlands Chamber of Commerce, I would like to extend our appreciation for your presentation at our meeting on Thursday, November 27th. Through your assistance the members of our community are now considerably more aware of the planning of your department.

It was unfortunate that due to ongoing negotiations between yourselves and Dysart et al, it was not possible to discuss in any detail the area that concerns us most. That of course is the particular location of your intended satellite park in our county. We understand that we can expect these details shortly, and the Chamber will then have an opportunity to prepare a brief regarding what we do, and do not agree with.

Based on what was discussed at this meeting there are at least two areas that concern our membership at this time. One is the fact that so much planning has gone into the Master Plan to date, with so little input from the county of Haliburton. There has been no representation from our county on any of the planning committees, aside from summer residents. The majority of our residents actually had little or no knowledge of the plan until this particular meeting.

The second matter of concern is access to the park. Your presentation refers to the setting up of a satellite park to accommodate 400 camping sites, but with only a canoe access point into Algonquin Park. If there is to be road access into Algonquin Park from this satellite park, then we can see that tourist traffic would be generated to the point that the satellite park would be necessary, and also desirable. With only a canoe access, it appears to us that not only would the satellite park not be necessary, but it would very likely take business away from existing operators in the area.

We ask that you take these points into consideration in your planning, and appreciate hearing any information from your department that would alleviate our concern in these areas. Tourism is a very important industry in our county and we will be very receptive to anything that will benefit it.

Yours truly,
Bob Stinson
Secretary Manager.

Thank You

Obituary

Mrs. Amy Easton

On November 11, 1975 at the Red Cross Hospital, Haliburton, Ontario, Mrs. Amy Easton entered Life Eternal. Born in Hounslow, England, she was the daughter of the late Annie Budd, and sister of Thomas of Toronto, the late Charles and the late Arthur. She was predeceased by her husbands, Harry Easton and William Arthur Coneybeare. She is survived by four daughters and three sons, Ruth of Toronto, William of Minden, Olive of California, John of Toronto, Dorothy of Unionville, Lance of Haliburton and Shirley of Minden. She is also survived by twenty-one grandchildren and sixteen great grand children.

A resident of Minden, Mrs. Easton was a member of St. Paul's Anglican Church, Minden, a Life member of the Women's Auxiliary of the Anglican Church and a member of the Minden Women's Institute.

A Requiem Mass was celebrated at St. Paul's Church at noon on Thursday, November 13, 1975 followed by the Funeral Service held at the Church at 1:30 p.m. The Rev. Douglas Brown officiated at both services.

The Pallbearers were six grandsons, Alan Coneybeare, Michael Easton, Michael Stinson, Joe Coneybeare, Gerald Ryley and Kirk Coneybeare.

Budget Pot Roast In Rich Gravy

With a larger portion of the country's increased beef supply coming from grass-fed cattle, more economy-minded cooks can take advantage of this leaner and less expensive meat. Simmered slowly in a broth enriched with aromatic Worcestershire sauce, tomato sauce, onion and brown sugar, it can be prepared to please the most demanding palate.

SWEET AND SOUR POT ROAST

- 4 to 5 pound boneless beef shoulder or chuck pot roast
- 2 tablespoons oil
- 1 cup chopped onions
- 1 can (15 oz.) tomato sauce
- 1/4 cup firmly packed brown sugar
- 1/2 cup water
- 1/4 cup original Worcestershire sauce
- 2 tablespoons lemon juice
- 1 teaspoon salt
- 12 small new potatoes
- 6 carrots, quartered

Trim excess fat from meat. In a large heavy saucepot heat oil. Add beef; brown on all sides, about 10 minutes; remove beef and pour off all but 1 tablespoon of the fat. To saucepot add onions; saute for 1 minute. Add tomato sauce, sugar, water, Worcestershire sauce, lemon juice and salt. Cook and stir until mixture comes to a boil. Add browned beef. Simmer, covered, turning meat occasionally until meat is almost tender, about 2 hours. Add potatoes and carrots. Simmer, covered, until meat and vegetables are tender, about 40 minutes. Remove meat and vegetables to a heated platter. Serve gravy "as is" or thicken by stirring 1 tablespoon flour blended with 1/4 cup water into each cup of gravy. Cook and stir until thickened. YIELD: 10 to 12 portions.

About the Town

with Jeannette Sears

The little lamps of friendship
We light along the way,
Go shining on far down the years
And brighten every day.
'Tis love that keeps them burning
And sympathy and trust,
God help us that no lamp goes out
Because we let it rust.

Anon.

At the L.O.B.A. card party at the Orange Hall on the 24th, winners were for cribbage Bill Bennett, for euchre lonehands Gladys Wruth, and Mary Little, May Wright, Harry Cowan and Phil Robinson. After the games all enjoyed the delicious lunch and cup of tea served by the ladies.

Next Saturday afternoon from 2-4.30 is the time to have a cup of tea and lunch and pick up some handmade articles and baking at the A.C.W. Christmas Tea-Bazaar at St. Paul's Parish Hall.

All their friends send good wishes to Roberta Rowe and Stan Blears who are in hospital. We are pleased to report that Doward Johnson and Master Jason Stamp were able to come home.

Do you think this is true? It is the malady of our age that the young are so busy teaching us that they have no time left to learn.

Eric Hoffer

Mrs. Bob Hughes enjoyed a weekend spent with Mr. and Mrs. Blake Hughes and family at Mississauga.

I went to bed on an Autumn eve,
The time had come, she took her leave,
Of leather browns, red, orange and gold.
Replaced once more by winter's mould.
Feathery fancy's floating down,
Covering rooftops and the ground,
Quietly falling all that night.
Winter's here with chilling bite.
Glistening diamonds in the sun,
Knee-deep children having fun,
Lacy branches, what a sight---
Blue lace shadows cast on white.
Christmas time without some snow,
Just wouldn't seem the same we know,
Sometimes severe, but not all bad,
For changing seasons, let's be glad.
Olive M. Klomps.

There were draws made at the newly opened Radio Shack with winners being: stereo receiver with 8 track, Mildred Archer and cassette recorder Ivy Bolton.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon, winners were for bridge N. Taylor, for cribbage Isobel Bingham and Bill Davidson and for euchre, Mae MacArthur and La Griffin and lone hands on a cut, May Wright. Hint of the week---when slicing onions, hold nose on a flat grater and they won't slip.

Sunday guests with Mr. and Mrs. M. Sears were Mr. and Mrs. Glen Sears and family of Toronto. Congratulations to Darlene and Don Walker on the arrival of their new baby boy.

Mrs. William Milligan and Bernice of Newtonville are visiting Mr. and Mrs. Arnold Coulter for a while.

Librarians and staff of Haliburton County Public Libraries had a workshop at the County office on Nov. 26. New idea is complaint form which borrowers will fill in and these will be sent to office about undesirable books. Anyone wishing books for gifts should order some from office or Candlewood shops. Hopefully branches will receive subscriptions to Canadian magazines through Win-Ontario funds. A discussion went on regarding circulation and county librarian Heather Gardiner was pleased that in our system, we are equal to, if not better than comparative figures in other counties. As this was also book exchange time, librarians were busy in their own branches putting away their books or displaying new books, including many with Christmas theme. If you are new to our county, drop in at your nearest branch, you may be surprised at the variety of books available there, or request any you might like to read. Heard this morning that this is 'Safe Driving Week' so keep this in mind; watch the driver of the car behind the one you are following, yourself, that is. Don't be distracted and road conditions are always a factor. SAFE DRIVING!!

Cheerio until next time.

THE ASSESSMENT ACT NOTICE TO PROPERTY OWNERS AND TENANTS

Due to the interruption of regular postal services, the Ministry of Revenue has extended the date for return of the assessment rolls from December 16, 1975 to **January 21, 1976** in all municipalities and localities across the province.

Therefore, in accordance with the provisions of The Assessment Act, assessment notices will be delivered to all assessed persons on January 6, 1976, 14 full days prior to the return of the rolls.

This extension affects the time period during which owners and tenants may appeal their assessments. Therefore, the final date for commencing an appeal to the Assessment Review Court has also been extended from January 6, 1976 to **February 11, 1976**.

Should the postal disruption continue into the month of January, the date for the return of assessment rolls may be further extended. A notice of any further extension will be published at a later date.

NOTE: TOWNSHIP OF WICKSTEED—
These alternate arrangements will not be in effect for the Township of Wicksteed in the District of Algoma. Assessment notices will be delivered to owners and tenants on the regular date, December 1, 1975 and the assessment roll will be returned on December 16, 1975. The final date on which owners and tenants may commence an appeal to the Assessment Review Court in the Township of Wicksteed is January 6, 1976.
